

Let the People Cry

Intro:

Bb-F C-Gm Bb-F C-F

I've seen the love of God for me

Open as the endless sea

Breaking through eternity

A light in the darkness

I've seen the rancor of my soul

I need the one that makes me whole

He's making me a crown of gold

He's making me a crown of gold

Chorus:

Let the people cry, "Holy"

Worthy is the Lord Almighty

Worthy is the king victorious

Given up to make us glorious

Let the people cry, "Save us"

Rock of our salvation

Healer of the nations

Come, Lord Jesus, come

I believe in grace alone

Greater than a thousand thrones

Stronger than a heart of stone

A light in the darkness

Grace to conquer all our pride

Grace to make the church your bride

Grace to open paradise

Grace to open paradise

Chorus:

Let the people cry, "Holy"

Worthy is the Lord Almighty

Worthy is the king victorious

Given up to make us glorious

Let the people cry, "Save us"

Rock of our salvation

Healer of the nations

Come, Lord Jesus, come

So may our praises

Rise to the gates of heaven

Unto the lamb now seated

Seated on his throne
